

Fete Meeting 17/10/2016

Present – Bunty, Helene, Martin, Roger, Emily, Karen Taylor and Karen Austen

We looked at last year's budget to help us decide on this year's budget. The Residents Association has allocated between £4,000/£5,000.

We changed the start time to 1pm as this is our celebration year.

Stalls and rides- Karen

Karen has put together the new booking form for 2017; she will send this out soon.

She has emailed Bradley for the details of the Helter-skelter man whose price is around £1,100 for the whole day and evening. Karen needs to check whether this is manned by them or us and about Health and safety issues. We will site this in the village hall car park and charge £1 per go.

Some food stalls are arranged but Karen will look into a pizza van.

Arena/Publicity – Helene

Helene has already booked Jeezo, Helen Jones, Jnr, Street dancers. She will contact the Belly dancers and also has a contact for Morris dancers.

Helene will get banners and signage print. Martin will liaise with her about the roadway signage.

Helene will order the gold bunting and balloons which will be paid for by the Social club.

Roadway – Martin

Martin will look into what signage we will need this year to make the roadway we used last year clearer to understand. We will use this roadway for both on and off of the green this year.

We do need to look at more help for this nearer the time.

Tesco – Karen T

Tesco will provide the Cream teas and this year they will provide some person power on the day instead of having a stall.

Music

We would have liked someone from the music organising group to have been at our meeting but there wasn't anyone.

We have proposed a budget of £2,000. This must pay for the marquee and staging, bands, PA and beers.

We discussed some bands that we hoped may be able to come

Tom Lumley

Freddie Hall

A group from Swavesey village college

Fluffy Wangers

Julie Potters husbands band.

It was agreed that all those involved with the music for the evening will be informed of the dates of future fete meetings so they can help with the organising of the evening entertainment.

It was agreed that the music would begin at 5pm.

Bunty is to email Graeme Hinchcliffe our views and ideas.

Other matters

Emily will ask the Hotel about us being able to put a banner on the hotel wall before we put it on the roundabout in the usual place. She also has a contact about maybe being able to get a Fire engine on the day?

Bunty has booked the Toilets, Medical and Security. She will book the Black bins later and will contact Haart about the money for the advertising boards.

Roger will ask Dominio about sponsoring maybe the Helter-skelter.

Next meeting is Monday 14th November 8pm in the Social club.
